Rt. 8, Frederick, Md. 21701
4/6/74

Dear Jim Feliciano, Jr.,

I have filed a number of Freedom of Information suits against the government. I have won some and others are pending. One is on petition (certiorari) to the Supreme Court right now.

Each of the three books of the Whitewash series if $4.95 each. If ordered separately, the postage on each is 18¢, not counting insurance. If they are all ordered at one time, the charge is only $15, which includes postage and insurance.

Frame-Up, on the King assassination, is $10.50, uncluding postage and insurance.

Sincerely,

Harold Weisberg
